

Flat-Flex Belt Joining and Maintenance Training

Training over 2 days, max 4 per session.

Cost per day, price available on request.

A room will be required.

The training that will be carried out will include:

- Identifying Flat-Flex belts
- Reasons why wire belts can fail prematurely
- Cleaning and sanitising considerations
- Belt splicing – including a demonstration
- Installation checklist
- Troubleshooting guide
- Technical support
- Questions

Once the dates have been confirmed for the training, an order number will be required.

Upon completion of the training, each attendee will receive a certificate and will also be given the opportunity to complete a feedback form.
